	These steers were pleasant to handle through the yards and crush. They stood well on the scales and most of the mob walked off calmly.		
Handled With	Bikes , On foot , Vehicles		
Assessor Comments	The first draft of "SPRING VALLEY" calves on offer today. Calves that show great length of body with plenty of softness and shape expressing excellent breed characteristics and type. Backed by landfall and Dunlop park blood they are steers set to grow into heavy trade or bullock weights given the feed opportunity.
