Assessor Comments A top quality line of 1 Brand Acc Breeder Angus Steers. 20% tail has been drafted out of these steers. Normally held through to heavy feeders but seasonal conditions dictate earlier sale. Vendor purchases very good bulls paying up to $20,000. Out of a top quality cow herd. Steers are very well grown for their age and show very good bone, muscle and true to type Angus. A very good draft of Angus steers that are very well bred and would make a quality line of Angus feeders steers at a young age. Past buyers have commented very favourably on their performance.
