Assessor Comments	Buyers a good line of well bred Euro X Steers for sale. These Steers are put through a full weaning program since assessment. Steers are well bred being by Wilkes Limousin and Moongool Charolais, Minnamurra Speckle Park Bulls. Steers all show exceptional weight for age given the dry conditions and show very good shape of body and bone structure. These Steers would suit a Bullock operation or a backgrounding program looking to take these Steers through to heavier weights to suit Domestic and Export markets. Please note same vendor has the Heifer portion available in the same sale.
