Handled With	Bikes , On foot , Vehicles

Notable Traits

	Traits
1 Head	Blight Treatment
2 Head	Small white mark in scrotal area

Assessor Comments	Line of well handled, quality Vendor Bred Angus Weaner Steers weighing 180kg to 294kg to average 205.4kg curfewed. These steers are quiet cattle that are a pleasure to handle with our vendors priding themselves on offering cattle for sale with the best temperament. These cattle are being sold early due to poor seasonal conditions. Brother & Sister lots in same sale.
