	Cattle were very good to handle during assessment, vendor prides themselves on the temperament of their cattle			
Handled With	Bikes , On foot , Vehicles			
Notable Traits	Traits 2 Head Blight Scar 1 Head Blight treatment 4 Head Small white mark in udder area			
Assessor Comments	Line of well handled, Young Vendor Bred Angus Weaner heifers weighing 84kg to 187kg to average 140.8kg curfewed. These heifers are quiet cattle that are a pleasure to handle with our vendors priding themselves on offering cattle for sale with the best temperament. These cattle are being sold very early due to poor seasonal conditions. Brother & Sister lots in same sale.			
Assessor	Glen Curry (Level 1 Accredited) Phone: 0412 269 363
