Assessor Comments	A quality line of vendor bred Angus cross Heifers, which averaged 253kgs after an overnight curfew. Heifers are well handled and have been running in 300 plus head mobs. These Heifers are out of Angus and Angus Cross Cows which are predominately large in frame. These cattle are also sired by Four O Eight and Gates Angus Bulls. These cattle present a good opportunity to purchase Heifers that are in a strong store condition and offer plenty of compensatory weight gain. Please note this vendor has 2 other lots in this sale.
