Assessor Comments	A line of vendor bred Steers, Averaging 248kgs after a big overnight curfew. Steers are well handled and have been running in 300 plus head mobs. These Steers are out of Angus & Angus X cows which are predominately large in frame. These cattle are sired by Gates & Four O Eight Angus bulls. These cattle present a good opportunity to purchase Steers that have plenty of compensatory weight gain. Please note this vendor has 2 other lots in this sale.
