Assessor Comments	An exceptional line of vendor-bred Angus x Angus steers. These are the tops of the drop—well-weaned and maintained on a light feed ration to support them through the drying conditions. They're packed with a depth of quality Angus breeding and performance behind them. These steers display excellent bone, frame & temperament, making them ideal for backgrounding, grass finishing or feeder markets. A rare chance to secure premium steers that would typically be held back for heavy feeder programs. Purchase with confidence!
