These heifers were a pleasure to handle in yards displaying excellent temperament. Heifers have been running on unimproved native pastures and will condition up quickly given access to improved nutrition. These heifers would make ideal future breeders or could be grown out to feeder weights or fattened for the domestic trade. Grass fed / Antibiotic free NOTE: Vendor will deliver heifers to Armidale saleyards at their own expense to meet a truck at purchasers request. Vendor has another lot (yearling steers) in this sale.
