Assessor Comments	On offer is a good deck load of vendor bred angus steers that have plenty of frame to work with. These steers are well weaned and are on the do, been running on lucerne. They are by Rennylea N987 and are in ideal forward condition to make perfect for feedlot entry or grass fattner. Good growthy steers that i think will pour the weight on. These 26 strs will make a neat deck load. Grass only and antibiotic free
