Assessor Comments	McQuarry Park, Casterton Vic, will offer 34 Angus Heifers, 5 - 6 months, Pathfinder bld, Weaned, Drenched, Vacc, PCAS, Grass Fed & Antibiotic Free. Nicely bred line of Spring drop Heifers that will present in fresh store condition, Heifers were all individually weighed from 198 - 246 Ave 218kg (full). Heifers are normally retained and classed up into the Vendors breeding program, but due to dams going dry and water getting tight Vendors need to lighten off and keep the core herd going. All the work is done with these spring drop Heifers they just need time and feed in front of them. Vendors also offering 29 of their brothers in this sale.
