	Again, with this draft of Heifers, it is a credit to the vendors on the way they have handled and weaned these heifers, super quiet and easy to handle. These heifers ran through the assessment process with ease and not a problem. Very good to handle. If you want some quiet Heifer's, these are the ones to purchase, quiet and with quality

Assessor Comments	This vendor has presented a quality line of heifers for sale. Not only are they bursting with quality they have great temperament with them also. With the good Euro bloodlines and softness of the British cross females these heifers will not disappoint if you are keeping for replacement breeders or going to feed for local trade markets. Easy heifers to handle and a nice even draft also. This vendor also has 11 heavier heifers in this same Auction. Combine the two lots for a good run of Heifers.
