Assessor Comments	An outstanding quality line of 39 Angus steers that have been weaned prior to sale & present in good forward store condition. Rod & Glenda Reeves have been associated with the Angus Society for over 50 years & for decades they have meticulously culled through their herd to end up with a line of cattle that are keenly sort after by numerous feedlots due to producing cattle with renown doing ability & a reputation known to many cattle producers in the Angus breed. The main bloodlines within the herd is predominantly Hazeldean & these steers are ideally suited to background for a feedlot operation. This is a rare opportunity to secure top quality Angus genetics & are only being offered for sale due to the unseasonal dry conditions.
