	Very quiet to handle. Odd steer agitated when mouthed but settled very quickly.		
Handled With	Bikes , Vehicles		

Assessor Comments	Good quality draft of steers that have frame and softness ready to go on and perform on grass or grain if given the opportunity. Steers have been backgrounded on supered native pastures and have grown out with plenty of frame, ideal to put away and power ahead. Steers are powering on the dried off grass. Very quiet and easy to handle.
