Assessor Comments	A good line of vendor bred, predominantly Angus, light feeder heifers, that are both EU and Grass-Fed accredited, that would go onto suit both the domestic/export markets. Heifers present in forward store condition and have been preg tested empty on the 2/04/26, by Coolah Veterinary Clinic. Please note: Vendor has another lot of 27 heifers in same sale and is willing to give Bovilis injection and hold heifers for further 2 weeks, for an extra $30/head. 3 heifers have slight scarring on eye and 2 Angus heifers have white marking on underline.
