| Assessor Comments                       | Buyers, this is a well bred line of young WEANED EU Angus steers that are average 290kg. This line of steers have great softness with nice length of body, showing good volume and thickness with bone. These steers have good depth of flank with plenty of room to fill out. Steers have very good weight for age only being 7 to 9 months old in this season. Steers are out of a medium to large frame Angus cows by top quality stud Angus sires. These steers are extremely quiet to handle both in yards and paddock. Creagh Cattle Co have a great reputation for performance on grain and grass. Steers are grass only eligible & antibiotic free. Note 2 steers old small blue eye scaring but not detrimental. |                                     |       |                 |                                   |                                   |                                     |                                         |     |       |      |   |      |           |     |  |  |  |  |
