Assessor Comments

Buyers, here is a very nice line of young top quality Angus & Angus- Angus cross heifers that ave 212 kg. Heifers show tremendous softness with length and ooze femininity. Heifers stand on nice bone with spring of rib and volume. These heifers have good weight for age only being 5 to 7 months and not normal sold this early due to failing seasonal conditions. They are bred out of medium to large frame soft Angus cows by top quality stud Lawson, Carabar & Circle 8 Angus sires. Heifers worked very quietly through yards and will be handled right up to trucking. These cattle have a great reputation for temperament and doing ability. These would make great future breeders. Note 2 heifers have old blue eye scaring but not detrimental.
