Assessor Comments	Buyers, here is a good line of soft EU Angus- Angus cross steers that present in light weight good store condition averaging 225kg. These steers have great depth of flank with a strong top line and volume. Steers stand on good bone with natural muscling, softness and skin. These steers have good weight for age only being 5 to 7 months and not normal sold this early due to failing seasonal conditions.They are bred out of medium to large frame soft Angus- Angus cross cows by top quality stud Lawson, Carabar & Circle 8 Angus sires. Steers worked very quietly through yards and will be handled right up to trucking. These steers have a great reputation for temperament and doing ability.
