Assessor Comments	A very good line of 1 Brand, Vendor Bred Angus Heifers. Vendor has not retained any heifers due to seasonal conditions. A small tail (5%) was taken out at assessment. Vendor has been breeding Angus cattle for 75 years. Heifers are well grown and in good condition and show true to type Angus. I have taken off 5% curfew adjustment. No allowance is made for weaning adjustment. Potential buyers to make their own decision. Suggest further weaning by purchaser at delivery. Out of medium to large frame Angus Cows by Stud Roseleigh Angus Bulls. Very good quality heifers suitable for breeding or background for trade/export feeder markets.
