Handled With	Steers were good to handle in yards and moved through the crush for weighing with ease Bikes , Dogs , On foot , Vehicles								
Assessor Comments	A great opportunity to purchase well bred Santa cross steers of good quality & temperament. These steers are sired by a well bred Santa bull from good framed Hereford x cows and were a pleasure to work in the yards and crush. Steers will be yard weaned onto good quality barley hay and would be ideal to grow out to feeder weights or take onto bullocks.
