| Assessor Comments      | Buyers a line of EU Accredited Ascot and Speriby North Blood steers that have been weaned and ready to power on. Cattle are carrying no excess condition and will excel given the correct nutrition. Steers would be ideal to grow onto future feeder cattle or the market of your choice.                                                                                                     |  |  |
