Assessor Comments	A quality line of 102 Angus weaned steers presenting in strong store condition. These steers are out of well-bred Eaglehawk, Speriby North and Booroomooka bloodline females and are sired by Eaglehawk Angus bulls selected with a focus on high growth and performance. These steers offer excellent length and depth and would be ideal to background for export markets. Steers were yard weaned on the day of assessment and will remain in a weaning yard on good quality lucerne hay through to delivery, so buyers make your own adjustments accordingly. This is a genuine, high-performing line of steers with proven genetics behind them, these Steers would normally be kept and grown out to heavy feeders but are being offered due to seasonal conditions. Buy with confidence.
