Assessor Comments	Very good line of mostly Charolais and Angus sired heifers that are in ideal condition to feed on for domestic market. Light weight heifers have been removed to tighten up weight range to suit feedlots. Heifers should go on and make very good domestic trade heifers if given the opportunity. Most Heifers Out of Charbray and crossbred cows by Ball Charolais or Talooby Angus bulls. Good shaped heifers with plenty of frame to go and perform. Vendor has 28 steers in same sale to make up B Double.
