Assessor Comments	These heifers were purchased as replacement breeders (were the tops of 2 runs of heifers). By Dunoon, Knowla and Gilmandyke Stud Angus sires. Loaded with genetics - it has been a tough decision for the vendor to offer these heifers for sale. They are all frame, good bone and long bodied females. They are in strong store condition with healthy coats and should thrive given the opportunity and feed. The odd slightly cloudy eye - not detrimental Lovely heifers to handle through the yards. These heifers will suit a wide range of markets and purchasers alike. Antibiotic Free and Pasture Fed. Agent has 3 other lots of heifers in same sale close by.
