	Quiet: 19 head	Quiet: 18 head Slightly Stirry: 1 head	Temperament not assessed in Paddock

Well handled calves that are use to human interaction on a daily basis.

Handled With: Bikes , On foot , Vehicles

Assessor Comments: Spring drop Angus Heifer calves, weaned, 7 - 8 months old. A.I Sired. The A.I sires used last year over the vendors entire herd, Stud and Commercial herds were Sitz Stellar, Oak Hollow Hallmark, Millah Murrah Rector and Tehama Patriarch. Cows were then backed up with Hazeldean P79, Millah Murrah Universe U137 and Brooklana T76. Dams bloodlines include Coolana, Banquet, Ben Nevis and DSK. Garras Angus using top Australian and USA sires for over 10 years. These little heifers have got the breeding and a reputation on doing well were ever they go given the right opportunities. Given the opportunity to grow out would make ideal future breeders down the track. They are handled on a daily basis and use to being behind a single hot wire fence. Quiet no fuss cattle to tuck away for winter and run through to spring. Please Note= There is a few heifers with an old pink eye scarring. (See Photos) Have included photos of A.I sires used last year. Vendor also has another lot of steers in same sale
