Handled With	Bikes , On foot , Vehicles			
Notable Traits	Traits 2 Head Old pinkeye scar 5 Head Old ringworm			
Assessor Comments	An exceptionally well bred line of Team Te Mania Angus steers, that have been properly weaned and are ready to go ahead. Ideal to grow out as feeders or beyond. The odd steer has signs of old ring worm but definitely on the improve and past the worst. A couple of steers have a minor pink eye scar that is not still infected. nb: vendor has an additional 54 heavier steers in another lot in the same auction
