Assessor Comments	A well bred draft of Angus steers . Steers are vendor bred by Rennylea Angus bulls, out of quality Angus cows with Rennylea, Brooksby, Glenavon & Raff bloodlines represented. Having come through a tough early start in 2025, they have shown considerable improvement into the new year. Ideal steers to go onto feed with previous purchasers feedback being positive. A terrific opportunity to acquire Angus steers with plenty of breeding to background or finish to heavy feeders or export weights.
