Assessor Comments	114 Watervalley Black Angus heifers. These heifer present in forward fresh condition and show very good frame, stretch and bone. .The majority of the heifers display freshness with young body's. all weighed from 255 kg to 300 kg. They are capable of fast compensatory weight gains given opportunity. As they are bred on light sandy country, and preform well on good hard feed. All in an all they are an even line, offering the opportunity purchase 1 mark vendor bred Angus heifers to put away in the paddock. The Watervalley cattle are well known for their doing ability and will perform well for those buyers looking for improver cattle to add value to their purchases. These heifers have been PT Empty on 10/04/26. A great opportunity to purchase a even line of heifers in b-double load.
