Notable Traits	Traits 11 Head Eye scarring		
Assessor Comments	A Very Good line of 132 Vendor bred Weaned Angus steers that have been bred on the Western Downs. We present to you an opportunity to buy Very Good black cattle that are acclimatized. These cattle were weaned early due to seasonal conditions and there for the successful buyer would expect good compensatory gains. These steers have had all the correct handling, treatments and vaccinations and will excel on good feed. Refer to video and photos for full breed description. Buyers, please note the vendor has other lots in the sale and would like same day delivery. Some steers in the lot have fly scarring but have been treated.
