Assessor Comments	A Very Good line of 166 Vendor bred Weaned Angus Heifers that have been bred on the Western Downs. We present to you an opportunity to buy Very Good black cattle that are acclimatized. These cattle were weaned early due to seasonal conditions and there for the successful buyer would expect good compensatory gains. These heifers have had all the correct handling, treatments and vaccinations and will excel on good feed. Please refer to videos for full breed description. Buyers, please note the vendor has other lots in the sale and would like same day delivery. Some heifers in the lot have fly scarring but have been treated.
