Assessor Comments	On offer is a very good line of EU backgrounder steers that present in excellent condition for buying. These steers have had all the hard work done to them; they also have the quality to go on to become very good heavy feeders or grow out as bullocks. They have been bred on lighter country and would be ideal to put onto a winter crop or into a good paddock of feed. Steers are a pleasure to work in the yards. A few steers have slight rub marks.
