Assessor Comments	A very good line of 1 brand account breeder Angus Heifers. Heifers are well bred by Roseleigh Stud Angus Bulls from a very good cow herd. Heifers have been preg tested not detectable. Weights of heifers only reflect the seasonal conditions and will do very well on good feed. Heifers are well grown and have a reputation with previous purchasers. Delivery will be at Dilbong but NVD will be from McMillan Downs (Vendors other property) where cattle have been running. Only moved to Dilbong for Preg Testing and trucking. Vendor has been breeding Angus cattle for 75 years. Ideal heifers to take through to trade/export feeder weights or keep as replacement breeders.
