Assessor Comments	A good line of Angus Heifers. 1 Brand account breeder. Lighter draft of Angus Heifers of vendor with another 90 offered this sale. Visually appear younger heifers. Heifers have been running on very dry country and only in good store condition. From a very good cow herd and by Roseleigh Angus Stud Bulls. Heifers will be truck from Dilbong but will have McMillan Downs PIC Number. Only moved to Dilbong (vendors home property) for preg testing and trucking. Heifers preg tested not detectable. On good feed these heifers have the potential to gain weight quickly. Suitable to take through to trade feeder, export feeder weights. Heifers that have a very good reputation with previous purchasers.
