Assessor Comments	Here is a very good line of Angus and Angus cross heifers with generations of breeding in them. They are by Hazeldean, Eaglehawk and Exton Angus bulls out of very fertile large framed Angus and Angus Cross cows. These heifers would be very suitable replacement breeders or trade feeder types. The temperament of these heifers is exceptional. They are extremely quiet to handle and a pleasure to deal with. If you are looking for good quality Angus and Angus cross heifers with great temperaments then these are the ones
