Assessor Comments	Here is a very good line of Angus steers with generations of breeding in them. They are by Hazeldean, Eaglehawk and Exton Angus bulls out of very fertile large framed Angus cows. Take your choice on these steers growing them out to trade or heavy feeders or bullocks. The temperament of these steers is exceptional. They are extremely quiet to handle and a pleasure to deal with. If you are looking for good quality Angus steers to put in the front paddock with great temperaments then look no further than these
