Assessor Comments	A quality run of well bred Angus X feeder steers. These steers are renowned for their performance and doing ability in the paddock, as well as the feed yard. All sired by quality Glenoch bulls and out of a high quality herd of Angus & Angus X cows. They are showing great weight for age off the pasture without any supplement feeding. The Temperament on these steers is a credit to their vendor. Please note that some of the steers have slight blue eyes from blight, all animals were treated at the time of the blight cases. The vendor has pre-treated the steers and will deliver to Toogoolawah Saleyards and guarantee clear of the dip.
