Assessor Comments	A very nice line of Angus x Angus and Angus cross weaner heifers. These cattle were an absolute pleasure to handle throughout the assessment and drafting process. Ideal heifers to finish for either the Domestic market or to be retained as potential future breeders. This is the complete drop with 2 Lighter heifers removed at assessment. Top quality calves exhibiting tremendous growth for their age, with plenty of shape and frame. Note - 4 head with an old blue eye scar, one eye only.
