Notable Traits	Traits					
	4 Head OLD HEALED BLUE PINK EYE SCARS					
Assessor Comments	Heavily Classed Angus Herd using the best genetics from Karoo & Te-Mania studs . The Evans family usually purchase bulls in the top 5% of the Breed. Note 4 steers have old healed pink eye blemishes not detrimental to their health, , Yellow, Tagged steers are Karoo & Te-Mania blood. The majority of these young steers are soft in the coat 2 weeks or so in the feedlot on a ration barley silage and vetch hay mix .The Evans cattle have a renowned feedlot reputation for both growth & marbling & would be ideal to carry through to trade or export feeders or fatten into big depthy quality bullocks. note this is a run of 84 steers on carnamah that are the youngest end of the 2025 drop. They present in store to forward store condition. Note another 51 steers same age weight & condion of this place this sale to make up trucks All the vet work was done at assessment with the cattle having a bovillus , cydectin pour on & a 5 in 1.ready to put straight into the paddock and bound away for you.
