| Assessor Comments             | An good quality line of young heifers being sold due to sale of the well known "Braemar" property. An Angus and Composite EU accredited herd lately using mostly Angus bulls as sires, the top end of these heifers are breeding potential as Braemar has always had a focus on fertility and doing ability. They were treated with Bovilis MH + IBR on the day of assessment and would also suit to background to heavier weights to take to a grass market, they are grass market eligible - vendor can supply a declaration on request. All of the heifers presented today were treated with Juramate Prostaglandin as a precaution. Note other lots this sale same vendor, the balance of the 2025 drop steers and heifers.
