Assessor Comments	A good quality small line of young steers being sold due to sale of the well known "Braemar" property. These are the red composites out of a Composite EU accredited herd lately using mostly Angus bulls as sires. EU accredited and treated with Bovilis MH + IBR on the day of assessment, these steers suit to grow out further to export feeder weights. Will also suit a grass finisher, they are grass market eligible - vendor can supply a declaration on request. Note other lots this sale same vendor, the balance of the 2025 drop steers and heifers. NOTE: Delivery outside of the stated period will also be available from mid morning Tuesday 28th to pm Wednesday 29th to assist with trucking.
