Handled With	These heifers were very good to handle in a very good set of steel yards, they worked well through yards, race and crush. Bikes , Horses , On foot
Assessor Comments	Buyers here is an opportunity to purchase a very good quality line of vendor bred heifers. They have been weaned and handled and have had all the hard work done to them. Heifers stand on good bone and confirmation and are showing feminine traits. They would suit future breeders looking for heifers to put into a breeding herd, their mothers are noted milkers and have good doing ability. They would also suit backgrounders looking to grow out to heavier weights on crop or pastures.
