|                        | Station bred heifers that are normally handled from horseback. Heifers are quick when handled on foot, but without malice. Most comfortable when in a mob.                                                                                                                                                                                                                                     |                                           |                                     |

| Assessor Comments      | Station bred Angus x Angus heifers that were drafted from 300kg to 350kg (full at assessment). Heifers stand on sound feet and legs and are considered suitable to be backgrounded to export feeder weights, grass/crop fattened, or may be considered for commercial breeding purposes. Same vendor has another line of heifers in the same sale.                                             |                                           |                                     |
