Assessor Comments	A quality line of vendor bred crossbred heifers, with all the hard work already done. These heifers are weaned, quiet, and easy-doing temperaments throughout the draft. Averaging 215kg at assessment, They are good soft cattle and would be ideal to be backgrounded up to heavier weights and would be suitable for a wide range of feedlot markets, or could be retained for future breeders. A couple heifers have old blue eyes but not causing and problems. (Please note the vendor is also offering 2 more lots of steer mates and two lots of heifer mates)
