Assessor Comments	A quality line of vendor bred crossbred steers, with all the hard work already done. These steers are weaned, quiet, and easy-doing temperaments throughout the draft. Averaging 214kg at assessment, They are good soft cattle and would be ideal to be backgrounded up to heavier weights and would be suitable for a wide range of feedlot markets (Please note the vendor is also offering 2 more lots of steer mates and two lots of heifer mates)
