Assessor Comments	On offer is a neat 2 deck load of angus weaner heifers presenting in store condition after a hard summer with no autumn break. Ideal small heifers to tip out and grow out for future breeders/ background or to fatten. One main line was purchased as well bred Texas blood heifers purchased off A+ out of Mudgee district. These cattle have been well weaned and were good to handle. They have already been drenched and vaccinated just take home and show them the feed. Small weaners have struggled bit with plain quality feed but that's to your advantage. Easily fit on 2 decks take home and tuck away these small, low dollar cattle have to be a good investment. NOTE vendor has 4 other lots in sale so can fill a bigger truck.
