A very quiet line of heifers, yard weaned.

| | |
|---|---|
| Handled With | Bikes , Dogs |
| Assessor Comments | A fresh line of light heifers that have been yard weaned and very quiet. They are very well bred with their mothers being part of a stud program. They are showing very solid frame and structure and have the capacity to grow into very solid breeders or feed on. Their temperament of these heifers is a credit to the vendor. Please note their heavier sisters are also in todays sale. |
