Temperament	Yards	Crush	Paddock

	Quiet: 15 head Slightly Stirry: 6 head These heifers handled quite a rigorous drafting process with ease. They remained patient and flowed well through the yards. A small number became unsettled during weighing, which was expected, but all settled quickly once returned to the mob.	Quiet: 15 head Slightly Stirry: 6 head	Temperament not assessed in Paddock
Handled With	Bikes , Vehicles		
Assessor Comments	While light in condition these heifers are well suited to go forward with the right nutrition and management. Bred in harsh cold country, given the right opportunities these heifers are expected to respond quickly and continue developing into functional, productive breeders or future trade cattle depending on their direction.
