	All steers handled the rigorous drafting process with ease. They remained patient and moved well through the yards. A small handful stirred during weighing and mouthing, which was expected, with quiet handling these steers temperament will improve.		
Handled With	Bikes , Vehicles		
Assessor Comments	These steers present a strong opportunity for buyers seeking cattle with the hard work already behind them and ready to power forward. Bred in harsh, cold country, they are a tough, resilient line with great frame and capacity, well adapted to challenging conditions. With the right feed and care, their frame will allow them to grow into big bullocks. Please note the vendor has 2 lines of their younger brothers and 2 lines of heifers in the same sale.
