	Cattle worked very well through the yards and crush during assessment, only a couple of heifers were partly agitated on scales but not mad. A pleasure to handle they are very quiet.			
Handled With	Bikes , On foot , Vehicles			
Notable Traits	Traits 2 Head Old pinkeye scar 5 Head Old ringworm 1 Head White belly			
Assessor Comments	An exceptionally well bred line of Team Te Mania Angus heifers, that have been properly weaned and are ready to go ahead. Ideal cattle to breed from or tuck away to grow out. The odd heifer has signs of old ring worm but definitely on the improve and past the worst. A couple of heifers have a minor pink eye scar that is not still infected. One heifer noted with a bit of white on the belly nb: vendor has an additional 86 lighter heifers in the same sale, in 2 lots assessed as one line.
