Assessor Comments	Tarrone View offer the 90 tops of their winter steer calves that tick all the boxes. These calves are bred from powerful Pathfinder blood cows that have tremendous depth and width throughout and these steers are showing all of those attributes. These steers have had all the treatments and have been weaned up properly and are ready to take through to heavier weights. These steers are extremely quiet and well handled. Past buyers have been extremely happy with these cattle and they come with my highest recommendation.
